Livestock Weighted Average Report for 11/11/2021 - Final

**AUCTION**

	This Week	Last Reported 11/4/2021	Last Year
<b>Total Receipts:</b>	5,569	4,033	4,846
<b>Feeder Cattle:</b>	5,127(92.1%)	3,407(84.5%)	4,610(95.1%)
<b>Slaughter Cattle:</b>	328(5.9%)	374(9.3%)	179(3.7%)
<b>Replacement Cattle:</b>	114(2.0%)	252(6.2%)	57(1.2%)

Compared to last week: Yearling steers and heifers were too lightly tested either this week or last to develop any accurate market trend. Steer calves under 500lbs sold 3.00-5.00 higher with moderate to good demand; Steers 450-599 lbs sold 5.00 to sharply higher; steers over 600 lbs sold mostly 3.00-4.00 higher. Heifer calves under 500 lbs sold 3.00 to 5.00 higher, while heifers over 500 lbs sold 3.00 to sharply higher. Calf quality this week was average to attractive, with a few consignments of attractive cattle. Calves were offered in mostly small to medium packages today that sold with moderate demand, with a few load lots on offer that sold with good demand for both steers and heifers. Demand remains limited due to limited trucks. Several buyers filled loads and exited the market. Calf prices declined as the sale progressed. Wide price spreads continue to be seen as buyers continue to focus on buying front end calves and calves with two rounds of vaccinations. Market activity this week was moderate to active with moderate to heavy receipts of feeder cattle. Weigh up cows sold on mostly moderate to good demand for light to moderate offerings. Packer and feeder buyers both showed good demand for cows this week which helped improve prices. The majority of cows this week were purchased for feed. Primarily very lame or severely blemished cows were purchased for immediate harvest. Lower undertones were noticed on breaking cows, while steady to firm undertones were noticed on boning and lean cows. Slaughter bulls were too lightly tested to develop any market trend. Young age cows suitable to feed or rebreed sold firm on a light comparison, with bred cows selling weak on a light test this week. Demand was mostly light. Quality for this class of cows was plain to average this week. Supply included: 92% Feeder Cattle (54% Steers, 45% Heifers, 1% Bulls); 6% Slaughter Cattle (96% Cows, 4% Bulls); 2% Replacement Cattle (40% Stock Cows, 60% Bred Cows). Feeder cattle supply over 600 lbs was 22%.

**Please Note:**

The above USDA LPGMN price report is reflective of the majority of classes and grades of livestock offered for sale. There may be instances where some sales do not fit within reporting guidelines and therefore will not be included in the report. Prices are reported on an FOB basis, unless otherwise noted.

**Explanatory Notes:**

Stage (Cattle) - Represents pregnancy stage (O = open; T1 = 1st Trimester, 1 to 3 months; T1-2 = 1st/2nd trimester, 1 to 6 months; T2 = 2nd Trimester, 4 to 6 months; T2-3 = 2nd/3rd Trimester, 4 to 9 months; T3 = 3rd Trimester, 7 to 9 months; T1-3 = all trimesters, 1 to 9 months)

Age - Numerical representation of age in years.
